1. You must telephone the contact (Deputy Dive Marshall) between 18:00 and 2000 the evening before Hours to reserve.
2. Do not put your name down with anyone else or try to put your name down the day before - you may be forgotten about!!
2. Do not worry about weather, alternative sites will be arranged if possible, if in doubt give the **Deputy DM** another call.
3. **Please note 'Ready at'** means time to be **ready** with your assembled kit in boat, suited up ready to assist with launch, off and away! The tides don't wait so we cannot wait You are advised to be at the site at least 30 minutes before the time given.
